2020 Census Short Messaging for State Complete Count Commissions (SCCCs) and Complete Count Committees (CCCs)

As a member of an SCCC or CCC, you’re a leader in your community. To engage your partners and the public, you can use and distribute short messages to promote the 2020 Census and its benefits to your state or community. Encourage partners to include a blurb on utility bills, lottery tickets, store receipts, or any other public-facing materials. You can use or tailor the examples below—some are educational, and some are motivational. Be creative!
